

2011-2012 Fundraising Priorities for Fullerton College

Student Success

Programmatic Support

Fullerton College will support programs to facilitate student-faculty interaction and enhance the intellectual and extra-curricular life of its students, such as the college Centennial, One Book/One College project, student university tours, and other innovative instructional and student support programs.

Facilities & Equipment

Fullerton College will build and upgrade new facilities that offer students the opportunity to learn in a state-of-the-art environment, supported by instructional equipment and technology.
